All files included in this archive are Copyright © 1996-2026 Bergsoft (www.bergsoft.net).

By using, installing, or distributing the components included in this archive (collectively referred to as the "Software"), you hereby agree to be bound by the terms and conditions of this License Agreement. If you do not agree to all of the terms set forth below, you are not authorized to use the Software in any way, and you must immediately and permanently delete all copies of it from your system(s).

1. GRANT OF LICENSE

Use and distribution of the Software are permitted, provided that you strictly adhere to all conditions outlined in this Agreement.

2. REDISTRIBUTION AND MODIFICATIONS

* **Original Form:** All redistributions of the Software files must be in their original, unmodified form.

* **Modifications:** The distribution of modified versions of the Software files is strictly prohibited without the express prior written permission of Bergsoft.

* **Notices:** All redistributions of the Software files must retain all original copyright notices, website addresses, and this exact list of conditions without any modification.

* **Commercial Distribution:** You may integrate and distribute the Software as part of your own commercial software products or applications, **provided that you have purchased a valid commercial license from Bergsoft.** However, standalone redistribution of the Software files for profit, or distributing them in a way that directly competes with Bergsoft, remains strictly prohibited.

* **Compiled Form and Packages:** Redistribution of any Software files in compiled, binary, or packaged form (including, but not limited to, .NET assemblies, .DLL files, and NuGet packages / .nupkg formats) outside the scope of your licensed commercial application is strictly prohibited without the express written permission of Bergsoft.

3. DISCLAIMER OF WARRANTY

The Software is provided "AS-IS," without any express or implied warranty of any kind, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, or non-infringement.

4. LIMITATION OF LIABILITY

In no event shall Bergsoft or the Author be held liable for any direct, indirect, incidental, special, or consequential damages arising out of the use of, or inability to use, the Software, even if Bergsoft has been advised of the possibility of such damages.
